Nurse, Per Diem
East Haddam, CT

Franklin Academy is now recruiting for per diem Registered Nurses to support our on-campus Health Center. This is a rare opportunity to work in a private boarding school-based Health Center serving students with unique learning styles in grades 8-12 and post-graduates.

Qualifications:

- Applicant must possess a current Connecticut License as a Registered Nurse and be CPR certified.
- Ability to think critically and use accurate nursing skills.
- Ability to function independently following standing orders and procedures.
- Ability to assess and manage crises.
- Ability to maintain confidentiality and respect the student's right to privacy.
- Ability to communicate student's condition/needs to staff, faculty and guardians when necessary.

Responsibilities:

- Perform nursing duties that carry out physician orders.
- Medication administration and documentation for all students
- Assessing and caring for students on a routine, urgent or emergent basis

Per diem nurses will be contacted to fill in for school nurses who are absent. The hourly per diem rate is \$35.00 per hour for both day and evening shifts. The Health Center is open from 7am-1030pm every day while school is in session.

Please contact sharvey@fa-ct.org for additional information.
